To Whom It May Concern,

My name is David Watson and I've been teaching at Kearny High School since 1989. I am the Student Council Advisor, Activities Director, Student Store Advisor and Senior Class Advisor. These responsibilities allow me to come in contact with some exceptional groups providing a service for our school. It is one of these groups in particular that I'm recommending to your school. This particular group is a DJ Company called *Ice House*.

Ice House has been active at Kearny High for the past two years. They have performed during numerous lunches and at least one school dance. In addition, *Ice House* was the DJ at the class of 2000 Prom.

Ice House is extremely reliable, trustworthy, professional and committed to providing excellent service for your school. They are always willing to perform at your school lunch for free! Their music is appropriate for the youth of today.

Ice House has my recommendation for any school considering a DJ service.

Sincerely,

A handwritten signature in cursive script that reads "David Watson".

Mr. David Watson
