To Whom It May Concern:

My name is Emmitt Dodd and I am the Associated Student Body Advisor of Mission Bay High School. For the past 4 years I have used *Ice House* for music entertainment for many occasions. I have found that one of the many hardest and yet controversial issue for music in events is the DJ. The student body of Mission Bay High School is very diverse and everyone enjoys a different selection of music. Up to this day, we have found that *Ice House* has a wide variety of music to please most of all of our students.

It is my pleasure to write to you in support of the efforts of *Ice House*, which is a DJ Company. For several years now I have found *Ice House* to be very professional, dependable, responsible and trustworthy. *Ice House* has been involved in many of our school activities, from school lunch entertainment to our school dances. They are willing to provide wonderful service for your school. They generously are willing to perform at your school during lunch absolutely for free. On top of that, their selection of music is totally appropriate for the youth. For any school seeking a DJ service, *Ice House* is a fantastic DJ company that has won my vote for high quality recommendation.

Sincerely,

Mr. Emmitt Dodd
