Dear Stony & Garrett:

*This year three hundred and sixty graduates attended the sixth annual SMHS Grad Nite on June 8th. Using the theme "Millennium Knights, Through the Decades...and Beyond", the students entered the gym through a Stargate entry and found themselves in a futuristic room. Other rooms included a twenties casino room, a fifties room, a sixties room and a seventies dance room complete with a disco ball. There were activities, games, entertainment, music, food and prizes. The graduates had a truly wonderful safe, sober, and drug-free celebration in honor of their achievements and the event was a huge success.*

*Without your generous support this worthwhile event would not have been possible. Funding for our Grad Nite event comes entirely from the sale of student tickets, fund raisers, and the voluntary contributions from people and businesses like yours who care. Thank you so much for your support of Grad Nite this year with the donation of DJ services, the strobe light and disco ball which put the finishing touch over our 70's dance room. Your donations helped make Grad Nite a success.*

The graduating class of 2000, their parents, and the members of SMHS Grad Nite committee *sincerely thank you* for your valuable support of a safe, sober, and drug-free Grad Nite celebration.

Sincerely,

Debbie Lombardo, Co-chair
